Suppression list \$100

Cost includes email blast transmission fees (which are typically \$50-15 PER 1,000.)

Cost includes selection charges.

Do you want a more targeted or publication specific email list?

We have access to thousands of email lists. Just tell us what you need.

Have you rented an email list before?

If not, the process is quite different from renting postal lists. And with the exception of our E-Base, the costs are quite high compared to postal lists. You might want to read our two reports on:

- *Pros & Cons of Renting Email Lists*
- *Checklist of Needs & To-Dos*
